Many of the details will be flexible as things change almost daily in that part of the world. Our plan is to have evenings of live entertainment at our hotel in Luxor and see as many ancient sites as possible. Much will depend on what is open and who is available when we are there.

It is very possible that we will have classes with the wonderful, famous **Khairiyya Maazin**. Long time friend and frequent guest teacher at Oasis, Habiba of Philadelphia, recently returned from Egypt where she spoke with **Khairiyya** about Oasis' visit next year. **Khairiyya** said she would look forward to seeing the Oasis Group.

To reserve your place in this inaugural journey to ancient land of dance please mail a completed tour registration form, your deposit of \$500 and a copy of your current passport to Oasis Dance Camp, 5 Saragossa St., Apt. A, St. Augustine, FL 32084. Payment of 50% of total cost is due by October 15, 2009. Balance in full must be paid by November 30, 2009.
